Addressed to the Beneficiary

Mr. Lars ,

I have received money today and have paid to complete the process of the documents which i have been asked to pick it up next week but i was requested to inform you

From the Anthony general's Office, the British private International remittance Monetary Fund investigation unit at the Supreme court of England London. On this day 14th Of MARCH, 2014 requesting for these final confirmation to complete the documentation process after going through the transfer process so far, all data's and confirming them valid but for security reasons and also to grant you these legal documents that gives you the global right to received this funds in your account without any questioning from the Swedish authority about marital and reasons of funds, you as the beneficiary is required to present the transfer slip of fifteen thousand one hundred and eighty pounds (15,180GBP) from your end in Sweden and should be presented in cash which a refundable draft that will be raise for the sum amount to be (REFUNDABLE) back to you with your funds as it's further remitted and accredited to your account in Swed Bank through the Swedish central bank.

Reasons;

This is a private funds transfer and much details about funds are not given because of the circumstance involved in the transfer process which the rightful own Dr. Rose M. Peter son did not states, but the funds has been confirmed valid and your data's as the beneficiary has also been confirmed valid to have access to the funds but to avoid you losing this funds to the British Government these legal majors has been brought in for a safety exit of the funds out of the United Kingdom through international transfer to your account in Swed Bank through the central bank of Sweden and these documents will also help you out some questioning that would have raise motion on your relationship with Dr. Rose M. Peterson.

Granting you this documents is like remitting the funds to your account that is why they the confirmation of the transfer slip of fifteen thousand one hundred and eighty pounds (15,180GBP) is required. You have been required to make this cash available with 10 working days because the documents has reach the final stages which the final approval will be endows and will be released to you for the funds to be released to your account, get back to me because it's urgent.

Payment Process of the refundable charges To Mr. Lars

This is to inform you about the payment process of the refundable charges fee of the **fifteen thousand one hundred and eighty pounds (15,180GBP)** from your end for further procedure, i was informed this morning by the Supreme court of United Kingdom London (unit) how the refundable fee should be send across from your end for further verification.

According to the the Supreme court of United Kingdom London (unit), you are to contact the office of the British International Funds Remittance United Kingdom London through **Mr. Warren C. Brewster** (the head of remittance) on his email address **bmr.warrenuk@yahoo.com** who will provide you with an account for the charges fee where the Supreme court of United Kingdom London (unit) will further make their verification and after the transfer of the refundable charges from your end, you are to scan and send the transfer slip over to me so that i can present it right away to them on this date that we have promised 20/03/2013 to make the payment.

Reasons

The Anthony general's office is not authorized to handle such refundable cash and because the funds is on the way to your account in Swed bank as indicated in the transfer documents through the office of the British International Funds Remittance United Kingdom London who has the legal right to handle international transfer and can remit the refundable fee through a bank draft with your funds through the Office of the British International financial action task force United Kingdom London(BIATF) where your funds is at present. For these reasons, you are required to transfer the refundable charges fee through the office of the British International Funds Remittance United Kingdom London, like i said earlier you are to contact Mr. Warren C. Brewster (the head of remittance) and after confirmation the documents will be released and granted to you to complete your transfer.

According the Supreme court of United Kingdom London (unit) he officer of the British International Funds Remittance United Kingdom London will letter remit the refundable charges to your account along with your funds as it's credited to your account in Swed Bank through the Swedish central bank .

Send me a confirmation email you got this message and do as i say right away, hope to hear from you.

17 mars

To Lars ,

I just got back to the office when i saw your email and thanks for your email though it came late but i have to do what i can to get more time while you get the money ready for the proof of beneficiary, one thing i most advice is that you more not play with time, they are going through this process because with this documents the funds will leave the United Kingdom to your account in Swed Bank through the Swedish central bank and if anything goes wrong they bear all charges for this they want to make sure you complete all process to avoid mistake and this will give them the go ahead to issue the documents for the funds to be released and please you should let me know when the money is ready so that i can give you the transfer process because they want to make sure it came from you for that they have there options.

I have informed them right away about it which i think they will listen to but you have to meet the time you have promised. I will get back to you when i get information about more days, it will not be easy but i have tried and will still get in touch with the Anthoney general in charge of the documents and also plead for more time.

Attached is the scan copy of the receipt of the payments i did for the documents, let me know when you get my email.

Thanks

This is to inform you that we are on the way to reaching the end of getting the documents for you to complete the transfer of your funds, the Supreme court on this day has issue the pre-matrimony certificate for you to complete transfer process, according to the Supreme court they have verified all proof of relationship and have confirmed the fate that you and Dr. Rose M. Peterson are into pre-marital relationship right from the documents presented and the trust to leave her funds in your care which they have confirmed valid to grant the pre-matrimony certificate and according to them in days they will released the Anti-terrorism certificate to you.

According to them they have to still make all necessary investigation and also to relate to the Swedish Authority for a safe passage of your funds to your account in Swed Bank to avoid any other delay because at the end of releasing the documents the funds will be released and it will be in your account with 24hrs of granting the anti-terrorism certificate to you, they have promised to get back to me with the documents at the end of all their procedures which i strongly believe you have nothing to worried about if all procedures are confirmed valid for your funds to go through over to your end which has been our main goal, i will keep you posted as soon as i get any information from them in regards to our accomplishing our goal of getting the documents for you to complete your transfer.

Thanks
